The Average Number of Hospitals and Dispensaries per one Lakh Population in each of the Divisions of the State.

*Q.—11. Smt. BASAVARAJESHWARI (Manvi).—

Will the Government be pleased to state:—

(a) the average number of Dispensaries and Hospitals per 1 lakh population in each of the Divisions of the Mysore State;

(b) whether it is not a fact that Gulbarga Division is very badly lacking in medical facilities;

(c) if so, the steps taken or proposed to be taken to improve the medical facilities during the Third Plan period in that area?

A.—Sri K. NAGAPPA ALVA (Minister for Health).—

(a) (i) Bangalore Division	...	4.20
(ii) Mysore Division	...	5.58
(iii) Belgaum Division	...	3.03
(iv) Gulbarga Division	...	2.38

(b) Yes, comparatively.

(c) Nine Government of India type Primary Health Centres and Three Health Unit type Dispensaries have been sanctioned so far. Eight more Government of India type Primary Health Centres are expected to be opened. Health Unit Dispensaries will be sanctioned in blocks of 15,000 population still lacking allopathic aid, where the Taluk Boards come forward to establish and maintain them.
